REFERENCE LETTER

Sudden Gale appointed RICH ISLE for the valuation of the technical state of the office building in Moscow.

All the responsibilities as per the abovementioned project were carried out by RICH ISLE in a timely and professional manner.

Due diligence of the premises performed by RICH ISLE assisted us much in making correct decision concerning our further movements.

I would therefore have no hesitation in recommending RICH ISLE as a highly professional team for the projects in the spheres of project management, cost management or technical valuations in the construction.

Yours sincerely

Alexey Belyakov

General Director
Sudden Gale
